Lake Placid Named to Host Women's and Under-18 Four Nations Tournaments Nov. 4-9

COLORADO SPRINGS, Colo. - USA Hockey announced today that it will stage two international tournaments simultaneously at the Olympic Center in Lake Placid, N.Y., from November 4-9, 2008.

The U.S. Women's Select Team will host Canada, Finland and Sweden in one Four Nations Tournament, while the U.S. National Under-18 Team from USA Hockey's National Team Development Program will host Switzerland, Sweden and Finland in a separate Four Nations Tournament.

"It will be a terrific week of hockey," said Jim Johannson, USA Hockey's assistant executive director for hockey operations. "Fans will have the opportunity to not only see the best female players in the world, but also the future stars of the men's game all competing in one of hockey's most historic locations."

All three rinks that are part of the Olympic Center – Herb Brooks Arena, 1932 Arena and USA Arena – will be utilized for the event.

A complete schedule and ticket information will be released at a later date.
